With the CBSE Board results for 2016 imminent, there is a great deal of anticipation and anxiety among parents and children.Keeping this in mind, ParentCircle is organizing a unique hot-line facility to help parents and children who wish to talk to someone about their concerns/failures. Parents and children can call in experts and counsellors for any support and guidance.

Talking about the initiative, Nalina Ramalakshmi, Founder of ParentCircle.com says, "Exam result days can be extremely stressful. We've all been through it. Whatever the outcome, it helps if parents and children can talk to someone to help them tide over the immediate moments. We are extremely thankful to Chennai Counselors' Foundation for providing us with world-class counsellors for this very special programme."

Dr Vasuki Mathivanan, President of Chennai Counselors' Foundation, says, "The most important thing on the day of the exam results is for parents to help children accept the result, learn lessons and move on.
